PROJECT

PAROS GREECE

The Paros Horizon Residences Project

The Horizon Project is a development of three residences in Aspro Chorio, thoughtfully designed to reflect the island's traditional architecture. Blending contemporary design with premium materials and high-spec amenities, it offers comfort, functionality, private pools and a refined living experience in a tranquil, authentic setting.

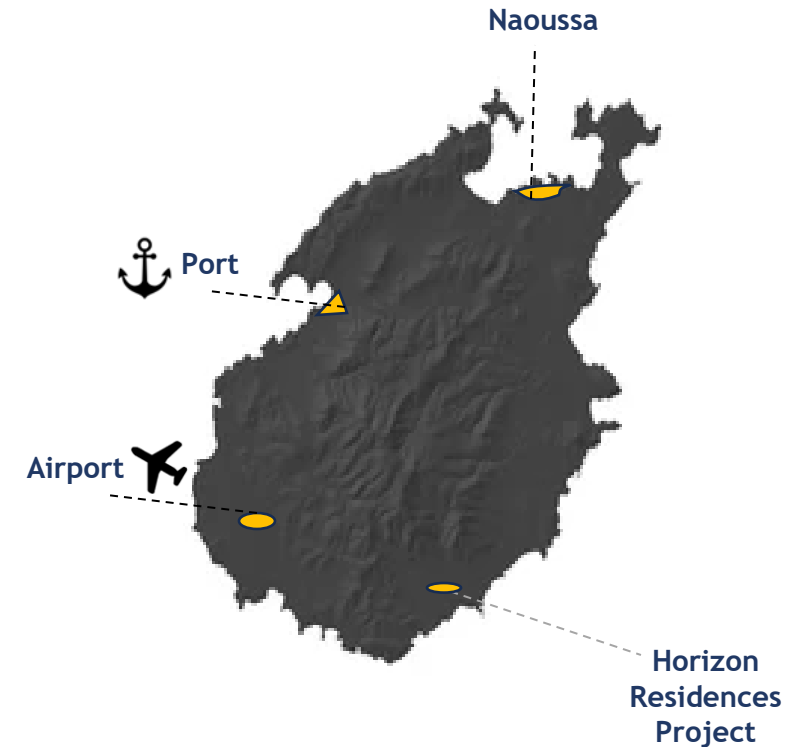

Powered by

PAROS

- It's located in Cyclades in the center of the Aegean sea
- Traditional whitewashed villages with authentic charm
- Cosmopolitan lifestyle Naoussa & Paroikia
